Re: VMRC # 11-0264
Potomac Westmoreland Shores
Civic Corporation

Dear Mr. Howe:

On August 25, 2011, we were copied with correspondence from W. Richard Hairfield, to the Board of Directors of the Potomac Westmoreland Shores Civic Corporation, concerning the ownership of the map parcels No: 6B-1-B-10B; 6B-3-A-25A; 6B-2-A-8A in Westmoreland County.

In an effort to provide you with the most current information, we are forwarding to you the above-referenced letter and attachments. This information may be of assistance to you in resolving the property right issues you have raised or in the alternative, it may raise new concerns for you. Either way, these documents are provided to you for your consideration. We wish to reiterate that we do not intend to take any action on the Corporation's pending application, or any similar application by a private individual, for structures along this section of beachfront, until there is general agreement within the community regarding authority over the use and management of the beach area and buoy locations.

Should you have any questions concerning this matter please feel free to contact me at (757)247-2276.

Sincerely,

Jeffrey P. Madden
Environmental Engineer
